

# Kick-Off Event for Tokyo Innovation Ecosystems

Realizing "Challenge-Resolving City – Tokyo" Through Fostering a Co-Creative Business Environment

**6pm to 8pm on March 27, 2019 (Wednesday) (opens at 5:30pm)**  
**Plug and Play Shibuya (1-10-8 Dogenzaka, Shibuya, Tokyo)**

Free

Tokyo Metropolitan Government will be holding a kick-off event to launch initiatives toward formation of Tokyo Innovation Ecosystems.

Following opening remarks by Yuriko Koike, Governor of Tokyo, a panel discussion by people who lead innovation creation at the center of ecosystems is scheduled.

There will also be a startup consultation session with SME management consultants, commemorating the 1st anniversary for the Relocation of the Shibuya Satellite Center, Tokyo One-Stop Business Establishment Center (TOSBEC), provides a single location for handling administrative paperwork related to starting a business.

We look forward to participation by people who are interested in creating ecosystem and people who are aiming to start a business in Tokyo.

✂Ecosystem: This refers to a business environment for co-existence and co-prosperity through consolidation of and collaboration among industrial, academic, and government players, including venture companies, large companies, and research entities, cultivation of cutting-edge industries, and fostering a favorable cycle of economic growth.
